ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF SELLER

4.1 Seller's Representations and Warranties. Seller represents and warrants to Buyer to the best of its Knowledge that the statements contained in this Article IV are correct and complete as of the Closing Date, except as expressly set forth in the schedules relating to this Article IV (the “Disclosure Schedules”). The information disclosed in any numbered part of the Disclosure Schedule shall be deemed to relate to and to qualify only the particular representation or warranty set forth in the corresponding numbered section in this Agreement and shall not be deemed to relate to or to qualify any other representation or warranty unless the applicability of such disclosure to such other representation or warranty is reasonably apparent on its face. The mere listing (or inclusion of a copy) of a document or other item shall not be deemed adequate to disclose an exception to a representation or warranty made herein (unless the representation or warranty has to do with the existence of the document or other item itself).

4.2 Validity of Agreement. Subject to any necessary authorization from the Bankruptcy Court, Seller has full power and authority to execute and deliver the Transaction Documents to which it is a party and to consummate the transactions contemplated hereby and thereby. All Transaction Documents to which Seller is a party have been duly executed and delivered by Seller, except such Transaction Documents as are required by the terms hereof to be executed and delivered by Seller after the date hereof, in which case such Transaction Documents will be duly executed and delivered by Seller at or prior to the Closing, and, subject to any necessary authorization from the Bankruptcy Court, all Transaction Documents constitute, or will constitute, as the case may be, the valid and binding agreements of Seller, enforceable against Seller in accordance with their terms.

Subject to any necessary authorization from the Bankruptcy Court, Seller has all requisite corporate power and authority to own, lease and operate its properties, to carry on the Business as now being conducted, to execute and deliver the Transaction Documents, subject to Bankruptcy Court authorization and to perform its obligations thereunder, subject to applicable bankruptcy, reorganization, insolvency, moratorium and other Laws affecting creditors' rights generally from time to time, and to general equitable principles.

4.4 No Conflicts. Subject to the approval of the Bankruptcy Court, including pursuant to the entry of the Sale Order, none of the execution, delivery or performance of this Agreement and the Transaction Documents by Seller will (a) conflict with or result in a violation or breach of any of the terms, conditions or provisions of Seller's Certificate of Incorporation or Bylaws, (b) result in the creation or imposition of any Lien upon any of the properties or assets of Seller, or (c) result in a violation or breach of any term or provision of any Law or Order applicable to Seller, other than such violations or breaches which would not materially and adversely affect the validity or enforceability of this Agreement or the Transaction Documents.

4.5 No Consents. No consent, approval or action of, filing with or notice to any Governmental Authority is required to be obtained by Seller in connection with the execution, delivery and performance of this Agreement or any of the Transaction Documents, or the consummation of the transactions contemplated hereby or thereby, except (a) for consents, approvals or actions of and filings with or notice to the Bankruptcy Court and (b) where the failure to obtain any such consent, approval or action, to make any such filing or to give any such notice would not materially and adversely affect the ability of Seller to consummate the transactions contemplated by this Agreement or any of the Transaction Documents or to

perform its obligations hereunder or thereunder or have a Material Adverse Effect on the condition of the Business.

4.6 Legal Proceedings. Except as set forth on Schedule 4.6 and except for Claims that will not attach to the Acquired Assets, by virtue of entry of the Sale Order:

(a) Other than the Chapter 11 Case, there are no Proceedings pending or, to the Knowledge of Seller, threatened against, relating to, or affecting Seller with respect to the Business or any of the Acquired Assets which would (i) result in the issuance of an Order restraining, enjoining or otherwise prohibiting or making illegal the consummation of any of the transactions contemplated by this Agreement or any of the Transaction Documents, or (ii) have a Material Adverse Effect on the Business; and

(b) Except for Orders of the Bankruptcy Court and Orders entered in the Commerce Dept. Proceeding, there are no Orders outstanding against Seller.

4.7 Title to Property. Subject to receipt of the approval of the Bankruptcy Court pursuant to the Sale Order, Seller has, or at the Closing will have, the right to deliver to Buyer good and marketable title to, or a valid leasehold interest in, all of the Acquired Assets free and clear of all liens, claims and interests (other than Permitted Liens).

4.8 Brokers. Except as set forth on Schedule 4.8, Seller has not incurred any Liability to any broker, finder or agent with respect to the payment of any commission regarding the consummation of the transactions contemplated hereby.

4.9 Intellectual Property. Except as set forth on Schedule 4.9, Seller (a) owns and possesses all right, title and interest in and to (or has the right to use pursuant to a license or other permission) the Intellectual Property; (b) has no obligation to compensate any Person for the right to use any of the Intellectual Property (except, in the case of Intellectual Property that is licensed, for obligations pursuant to the applicable license agreement); (c) has not granted to any Person any license, option or other similar rights in or to any of the Intellectual Property; (d) has not received any written notice from any Person that challenges the validity or enforceability of any of the Intellectual Property; (e) has not received any notice from any Person challenging Seller's ownership of, or right to use, any of the Intellectual Property; and (f) to the Knowledge of Seller, no Person is infringing upon or has misappropriated any of the Intellectual Property.

4.10 Limitations. Except as expressly provided herein or in the Sale Order approving this Agreement, the Buyer agrees and acknowledges that all transfers of the Acquired Assets are "as is" and "where is", and acknowledges and agrees that the Seller makes no representation of any kind whatsoever with respect to the Acquired Assets or otherwise, express or implied, including but not limited to any representation or warranty regarding the title or condition of the Acquired Assets, or the fitness, desirability, or the merchantability thereof or suitability thereof for any particular purpose, the current or future tax liability, assessment or valuation of any of the Acquired Assets, the compliance of any of the Acquired Assets in their current or future state with applicable laws or the actual projected income or operating expense of the business or Acquired Assets. The Buyer further acknowledges and represents that it has reviewed and inspected the Acquired Assets, has had the opportunity to inspect the books and records of the Seller and the public filing records, and enters into this Agreement after independent investigation of the facts and circumstances relating to the Acquired Assets, the operations of the business and the transactions described herein.

4.11 Contracts. Seller has made available to Buyer a correct and complete copy of each Assigned Contract listed on Schedule 2.1(a)(v) and each Excluded Contract listed on Schedule 2.3(b), and such Contracts and Leases shall collectively include all of Seller's material Contracts and Leases. In addition,

all Contracts and Leases of Seller existing as of the date hereof are included on Schedule 2.1(a)(v) as Assigned Contracts or Schedule 2.3(b) as Excluded Contracts, and if any additional Contracts or Leases, that are not included on Schedule 2.1(a)(v) or Schedule 2.3(b), are determined after the date hereof to constitute Contracts or Leases, Buyer shall have the right, in its sole discretion, to add such Contract or Lease to Schedule 2.1(a)(v).

Notwithstanding the foregoing, the delivery of any notice pursuant to this Section 6.4(a) shall not (x) be deemed to amend or supplement any of the Disclosure Schedules, (y) be deemed to cure any breach of any representation, warranty covenant or agreement or to satisfy any condition or (z) limit or otherwise affect the remedies available hereunder to the party receiving such notice.

(b) Seller shall add Buyer, and Buyer's counsel, to Seller's so-called "Rule 2002 notice list" and otherwise provide notice to Buyer of all matters that are required to be served on Seller's creditors pursuant to the Bankruptcy Code and Rules.

(a) Within seven (7) days after the date of the commencement of the Chapter 11 Case, Seller shall file and serve a motion (together with supporting papers and with proper notice thereof on interested parties as required by the Bankruptcy Code and Rules) (the "Bid Procedures Motion") seeking entry of the Bidding Procedures Order on the Bankruptcy Court's docket, which order will set a date for the Auction such that not less than the statutory notice of such Auction is provided and so as to allow Third Parties a meaningful opportunity to present a qualifying overbid. Seller shall obtain a hearing in the Bankruptcy Court to approve entry of the Bidding Procedures Order on shortened notice for no later than December 7, 2009.

(b) Simultaneously with the filing of the Bid Procedures Motion, Seller shall file with the Bankruptcy Court a motion seeking to approve the transaction contemplated hereby (the "Sale Motion"), which motion shall seek the Bankruptcy Court's approval of this Agreement, Seller's performance under this Agreement and the assumption and the assignment of the Assigned Contracts (and to the extent contested by a Contract counterparty, Buyer's providing evidence thereof), pursuant to section 365 of the Bankruptcy Code. Buyer shall take such actions as are reasonably requested by Seller to assist Seller in obtaining a finding by the Bankruptcy Court that the Buyer is deemed to have purchased the Acquired Assets in good faith pursuant to section 363(m) of the Bankruptcy Code and that it has the necessary qualifications to show adequate assurance of future performance with respect to the Assigned Contracts as required by section 365 of the Bankruptcy Code.

(c) A list of the Assigned Contracts (as set forth on Schedule 2.1(a)(v)) shall be described in sufficient detail to provide adequate notice to the non-debtor party to such Assigned Contracts. Upon revision of Schedule 2.1(a)(v) by Buyer pursuant to Section 2.1(b), Seller shall add any Assigned Contracts to the exhibit or remove Assigned Contracts from the exhibit, as applicable. Such exhibit shall set forth the Cure Amounts under each of such Assigned Contracts as determined by Seller based on the Books and Records. In cases in which Seller is unable to establish that a default exists, the relevant Cure Amount shall be set at \$0.00.

(d) Prior to the hearing on the Bidding Procedures Motion, Seller will provide Buyer and Lenders with a reasonable opportunity to review and comment upon the proposed form of the Bidding Procedures Order, which shall be in form and substance satisfactory to Buyer and Lenders.

(e) Prior to the hearing on the Sale Motion, Seller will provide Buyer and Lenders with a reasonable opportunity to review and comments upon the proposed form of the Sale Order, which shall be in form and substance satisfactory to Buyer and Lenders.

6.7 Exclusivity; Solicitation.

(a) Buyer and Seller acknowledge that under the Bankruptcy Code the sale of Acquired Assets is subject to approval of the Bankruptcy Court. Buyer and Seller acknowledge that to obtain such approval, Seller must demonstrate that it has taken reasonable steps to obtain the highest or best price possible for the Acquired Assets, including giving notice of the transactions contemplated by this Agreement to creditors and other interested parties as ordered by the Bankruptcy Court, providing information about the Acquired Assets to responsible bidders, entertaining higher or better offers from responsible bidders and, if necessary, conducting an Auction.

(b) Seller represents that, other than the transactions contemplated by this Agreement, Seller is not a party to or bound by any agreement with respect to a possible merger, sale, restructuring, refinancing or other disposition of all or any material part of the Business or the Acquired Assets.

(c) In consideration for substantial expenditures of time, effort and expense undertaken and continuing by the Buyer in connection with the preparation, negotiation, and execution of this Agreement and additional Transaction Documents and Financing Documents, Seller acknowledges and agrees that the Buyer shall be the stalking horse bidder at the Auction; provided that consistent with its fiduciary duties to elicit the highest and best offer for the Acquired Assets and to conduct the Auction, Seller may solicit, encourage and negotiate higher or better offers for the Acquired Assets under the terms of the Bidding Procedures Order, and provided further that Seller may (A) in response to an acquisition proposal for some or all of the Acquired Assets that was not solicited after the date hereof, participate in negotiations or discussions with, request clarifications from, or furnish information to, any qualified person which makes such acquisition proposal, and (B) continue discussions and negotiations and continue to provide information to any qualified person, group or other entity with which Seller has been conducting such discussions or negotiations.

6.8 Other Bids. Buyer acknowledges that both before and after entry of the Bidding Procedures Order on the Bankruptcy Court's docket, Seller may solicit bids ("Bids") from Third Parties (each Third Party submitted a Bid, a "Bidder") for the sale of all or substantially all of the Acquired Assets, on terms and conditions substantially the same in all respects to this Agreement (or improved terms) and in accordance with the procedures set forth in the Bidding Procedures Order and Section 8.2(c) below.

6.9 Excluded Assets and Liabilities. Subsequent to the Closing, Seller agrees to indemnify, defend, protect, and save and hold Buyer harmless with respect to the Excluded Assets and Excluded Liabilities. Seller's obligations under this section shall be an administrative expense priority obligation under section 507(a)(2) of the Bankruptcy Code.

6.10 Taxes.

(a) On or prior to the Closing (or after the Closing when due and payable, to the extent such Taxes are due and payable after the Closing), Seller shall pay all sales taxes, use taxes, payroll taxes, and Taxes which will be owed by Seller and attributable to periods prior to the Closing.

(b) Any sales, use, purchase, transfer, franchise, deed, fixed asset, stamp, documentary stamp, use or other Taxes and recording charges due and which may be payable by reason of the sale of the Acquired Assets or the assumption of the Assumed Obligations under this Agreement or the transactions contemplated herein shall be borne and timely paid by Seller, and Seller shall prepare and timely file all Tax Returns required to be filed in connection with such payments.

ARTICLE VII

COVENANTS OF BUYER

7.1 Assumed Obligations. Subsequent to the Closing, Buyer agrees to be responsible for the payment and performance of the Assumed Obligations.

7.2 Operation. Buyer shall be obligated to discharge, pay, perform and satisfy all of the duties, liabilities and obligations arising, from and after the Closing, from the ownership, maintenance, operation, use, development, sale or leasing of, or other operation of business with respect to the Acquired Assets and the Assigned Contracts.

7.3 Further Assurances. Buyer shall execute such documents and take such further actions as may be reasonably required to carry out the provisions of this Agreement and the transactions contemplated hereby. Buyer shall use commercially reasonable efforts to fulfill or obtain the fulfillment of the conditions set forth in Article IX of this Agreement.

7.4 Release of Chief Sales Officer. Buyer shall release the Chief Sales Officer from and on account of any demands, suits, or claims of any sort arising out of or in connection with the sale of the Acquired Assets hereunder, except for claims arising out of or relating to any gross negligence or willful misconduct of the Chief Sale Officer.

All of Buyer's covenants set forth in this Article VII and under Article XII shall survive the Closing.

ARTICLE VIII

CONDITIONS PRECEDENT TO OBLIGATIONS OF BUYER

The obligations of Buyer under this Agreement are, at the sole option and discretion of Buyer, subject to satisfaction of the following conditions precedent on or before the Closing Date.

8.1 Warranties True as of Both Present Date and Closing Date; Covenants.

(a) All of the representations and warranties of Seller shall be true and correct in all material respects on and as of the Closing Date (except for representations and warranties made as of a specified date, which shall be true and correct as of that date) with the same force and effect as though made on and as of the Closing Date.

(b) Seller shall have performed and complied in all material respects with the obligations and covenants required by this Agreement to be performed or complied with by Seller on or prior to the Closing Date.

8.2 Bankruptcy Conditions.

(a) The Bidding Procedures Order shall have been entered on the docket by the Clerk of the Bankruptcy Court on or before December 7, 2009. The Sale Order shall have been entered on the docket by the Clerk of the Bankruptcy Court on or before January 15, 2010.

(b) The Sale Order shall approve and authorize the assumption and assignment of the Assigned Contracts and the Assigned Contracts shall have been actually assumed and assigned to Buyer such that the Assigned Contracts will be in full force and effect from and after the Closing with non-debtor parties being barred and enjoined from asserting against Buyer, among other things, defaults, breaches or claims (including, without limitation, cure claims under section 365 of the Bankruptcy Code, except as otherwise specifically provided in the Sale Order) existing as of the Closing or by reason of the Closing.

(c) The Bidding Procedures Order shall provide, among other things, that:

(i) upon the first to occur of (A) the date Seller consummates an Alternative Transaction, (B) the date Seller files a Chapter 11 plan contemplating the sale or retention of any of the Acquired Assets by Seller and/or the disposition of any of the Assigned Contracts in a manner substantially inconsistent with the terms of this Agreement, or (C) the confirmation of a plan of reorganization of Seller by the Bankruptcy Court that does not contemplate all of the transactions contemplated by this Agreement, Seller shall be obligated to pay Buyer the amount of \$200,000 (in cash) as reimbursement for all out-of-pocket costs and expenses (including attorneys' fees and expenses) incurred by Buyer in connection with the Bankruptcy Case and the negotiation, execution and delivery of this Agreement and the Transaction Documents, the Financing Documents and other legal work concerning acquisition of the business or assets of Seller ("Expense Reimbursement"), which payment shall be made in accordance with Section 11.2;

(ii) Buyer, by agreement of Lenders and Buyer, is entitled to bid the Credit Bid under Section 363(k) of the Bankruptcy Code;

(iii) no party submitting any other offer to purchase the Acquired Assets or a Qualifying Bid shall be entitled to any expense reimbursement, or termination or similar fee or payment;

(iv) prior to receipt by a prospective Bidder of any non-public information (including, without limitation, business and financial non-public information and access to representatives of Seller) from Seller, each Bidder will be required to execute an appropriate confidentiality agreement;

(v) as part of any Bid, each Bidder shall submit a copy of this Agreement marked to show changes, along with any other bid package requirements to Seller and Buyer, and place into escrow a cash deposit of no less than \$250,000;

(vi) (A) a competing Bid will not be considered by Seller or the Bankruptcy Court as qualified for the Auction unless such competing Bid is for an amount equal to, or greater than the aggregate of the sum of (I) the Credit Bid; and (II) \$300,000 (representing the amount of the Expense Reimbursement plus \$100,000); (B) any subsequent competing Bids submitted at the Auction must be higher than the immediately preceding Bid in increments of not less than \$100,000 in cash; provided, however, any competing Bid submitted at the Auction by Buyer shall be increased by the dollar value of the Expense Reimbursement for purposes of determining whether it constitutes the Highest or Best Bid; and (C) a Bid will not be considered by Seller as qualified for the Auction if: (I) such Bid contains financing or due diligence contingencies of any kind; (II) such Bid consists of any form of consideration other than cash consideration, payable

by wire transfer of immediately available funds to the account or accounts designated in writing by Seller; (III) such Bid is not received by Seller and Buyer in writing at least four (4) Business Days prior to the Sale Hearing; (IV) such Bid does not contain evidence that the Person submitting it has received debt and/or equity funding commitments or available cash sufficient in the aggregate to finance the purchase contemplated thereby, including proof of deposit into escrow of no less than **\$250,000** in cash; or (V) such bid is otherwise determined by the Chief Sale officer to be made in bad faith and such determination is not reversed by a Final Order of the Bankruptcy Court (each Bid that satisfies the criteria set forth in sub-paragraphs A and B and also is not excluded pursuant to sub-paragraph C constitutes a "Qualifying Bid");

(vii) if one or more Qualifying Bids are submitted in accordance with the Bidding Procedures Order, Seller will conduct the Auction as set forth in this Agreement. At the Auction, Buyer and all Persons who submitted a Qualifying Bid pursuant to Section 8.2(c)(vi) shall have the right to submit further Bids along with a copy of this Agreement marked to show changes. Seller shall have the right to select the highest or best Bid from Buyer and any Person who submitted a Qualifying Bid pursuant to Section 8.2(c)(viii) (the "Highest or Best Bid"), which will be determined by considering, among other things: (A) the number, type, and nature of any changes to this Agreement requested by each Bidder; (B) the extent to which such modifications are likely to delay closing of the sale of the Acquired Assets and the cost to Seller of such modifications or delay, including potential decrease in purchase sale price of Seller's Assets if not sold by the Closing Date; (C) the total consideration to be received by Seller; (D) the likelihood of the Bidder's ability to close a transaction and the timing thereof; and (E) the net benefit to the estate, taking into account Buyer's rights to the Expense Reimbursement;

(viii) Not later than eleven (11) Business Days prior to the Sale Hearing (such date, the "Cure Notice Deadline"), Buyer shall provide a notice (the "Cure Notice") to each non-debtor party to an Assigned Contract set forth in Schedule 2.1(a)(v), which Cure Notice shall, among other things, (A) provide notice of the proposed assumption and assignment of the Assigned Contract to Buyer, (B) contain a calculation of the Cure Amount, and (C) provide notice of the deadline to object to the Cure Notice, which deadline shall be four (4) Business Days prior to the Sale Hearing.

(ix) unless otherwise agreed to by Buyer, only the Persons who submitted Qualified Bids, the Buyer, the Lenders, any Committee, and the United States Trustee may participate in the Auction; and

(x) Seller shall not contest any argument by Buyer that it has standing to contest the Highest or Best Bid selected by Seller.

(d) Notwithstanding Sections 8.2(a) and 10.1, nothing in this Agreement shall preclude Buyer or Seller from consummating the transactions contemplated herein if Buyer, in its sole discretion, waives the requirement that the Sale Order or any other Order shall have become Final Orders. No notice of such waiver of this or any other condition to Closing need be given except to Lenders, any Committee, and the United States Trustee, it being the intention of the parties hereto that Buyer shall be entitled to, and is not waiving, the protection of section 363(m) of the Bankruptcy Code, the mootness doctrine and any similar statute or body of Law if the Closing occurs in the absence of Final Orders.

8.3 Material Adverse Change. There shall not have occurred a Material Adverse Change since the date of this Agreement.

8.4 Litigation. No Order shall have been entered that restrains or prohibits the consummation of the transactions contemplated by this Agreement.

8.5 Approvals. All authorizations, consents, filings and approvals necessary to permit Seller to perform the transactions contemplated hereby shall have been duly obtained, made or given, shall be in form and substance reasonably satisfactory to Buyer, shall not be subject to the satisfaction of any condition that has not been satisfied or waived and shall be in full force and effect. All terminations or expirations of waiting periods (and any extension thereof) imposed by any Governmental Authority necessary for the transactions contemplated under this Agreement, if any, shall have occurred.

ARTICLE IX

CONDITIONS PRECEDENT TO OBLIGATIONS OF SELLER

The obligations of Seller under this Agreement are, at the option of Seller, subject to the satisfaction of the following conditions precedent on or before the Closing Date.

9.1 Warranties True as of Both Present Date and Closing Date. The representations and warranties of Buyer contained herein shall be true and correct in all material respects on and as of the Closing Date (except for representations and warranties made as of a specified date, which shall be true and correct as of that date in all material respects) with the same force and effect as though made by Buyer on and as of the Closing Date, except those qualified by materiality shall be true and correct in all respects. Buyer shall have performed and complied in all material respects with the obligations and covenants required by this Agreement to be performed or complied with by Buyer on or prior to the Closing Date.

9.2 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Bidding Procedures Order and the Sale Order.

9.3 Litigation. No action, suit or other proceedings shall be pending before any Governmental Authority seeking or threatening to restrain or prohibit the consummation of the transactions contemplated by this Agreement, or involving a claim that consummation thereof would result in the violation of any Law.

9.4 Approvals. All authorizations, consents, filings and approvals necessary to permit Buyer to perform the transactions contemplated hereby shall have been duly obtained, made or given, shall be in form and substance reasonably satisfactory to Seller, shall not be subject to the satisfaction of any condition that has not been satisfied or waived and shall be in full force and effect. All terminations or expirations of waiting periods (and any extension thereof) imposed by any Governmental Authority necessary for the transactions contemplated under this Agreement, if any, shall have occurred.

ARTICLE X

10.2 Deliveries by Seller. At the Closing, Seller shall deliver or procure delivery to Buyer of:

(a) one or more bills of sale, in form and substance reasonably satisfactory to Buyer and Lenders, conveying in the aggregate all of the owned personal property of Seller included in the Acquired Assets, duly executed by Seller;

(b) one or more assignments of the Assigned Contracts and assumptions of the Assumed Obligations, in form and substance reasonably satisfactory to Buyer and Lenders (collectively, the “Assignment and Assumption”), duly executed by Seller;

(d) certificates of title and title transfer documents to all titled motor vehicles;

(e) an assignment and assumption agreement with respect to Seller’s Permits and warranties in form and substance reasonably acceptable to Buyer and Lenders, whereby Seller shall assign to Buyer all of their respective rights in and to any Permits and warranties relating (directly or indirectly) to the Acquired Assets or the Business, to the extent such Permits and warranties are assignable;

(f) all the Books and Records, and any data related to the Business;

(g) such other instruments, in form and substance, reasonably satisfactory to Buyer, as are necessary to vest in Buyer good and marketable title in and to the Acquired Assets in accordance with the provisions hereof;

(h) such documentation as may be necessary to change the authorized signatories on any bank accounts to be transferred hereby or powers of attorney relating (directly or indirectly) to the Acquired Assets or the Business; and

(i) a certified copy of the Sale Order; and

(j) an affidavit, as provided in Section 1445(b)(2) of the Code, stating under penalties of perjury that Seller is not a foreign person within the meaning of Section 1445(f)(3) of the Code.

10.3 Deliveries by Buyer. At the Closing, Buyer will deliver to Seller (a) the Assignment and Assumption duly executed by Buyer and (b) a release by Lenders of Seller from the amount of the Lender Debt represented by the Credit Bid; and (c) cash for any amount of the Purchase Price in excess of the Lender Debt that is payable to Seller.

10.4 Form of Instruments. To the extent that a form of any document to be delivered hereunder is not attached as an Exhibit hereto, such documents shall be in form and substance, and shall be executed and delivered in a manner, reasonably satisfactory to Buyer and Seller.

ARTICLE XI

TERMINATION; TERMINATION PAYMENT

11.1 Termination. This Agreement may be terminated prior to the Closing as follows:

(a) by mutual written agreement of Buyer and Seller;

(b) by either Buyer or Seller if there shall be in effect a Final Order restraining, enjoining or otherwise prohibiting the consummation of the transactions contemplated hereby;

(c) by either Buyer or Seller (provided that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained herein), if there shall have been a material breach or misrepresentation of any of the representations or warranties or a material breach of any of the covenants or obligations set forth in this Agreement on the part of Seller, on the one

hand, or the Buyer on the other hand, which breach would give rise to the failure of the conditions set forth in Section 8.1 or 9.1, as applicable, and such breach is not cured within ten days following written notice to the party committing such breach or which breach, by its nature, cannot be cured prior to the Closing;

(d) by Buyer or Seller (provided that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained herein) if it shall have reasonably determined that a material condition set forth in Article IV, Article VIII and Article IX for the benefit of the terminating party has not been or cannot be fulfilled or satisfied prior to the Termination Date and has not been waived by the terminating party, provided that the terminating party shall not be responsible for the failure of such condition to be satisfied;

(e) by Buyer if Seller (i) seeks or supports Bankruptcy Court approval of an Alternative Transaction (other than to or by Buyer) or a Chapter 11 plan contemplating the sale or retention of the Acquired Assets in a manner substantially inconsistent with the terms of this Agreement or (ii) executes and delivers an agreement or understanding of any kind with respect to any of the items described in the foregoing clause (i);

(f) by Buyer or Seller if the Bankruptcy Court enters an order approving any Alternative Transaction (other than the sale of the Business and the Acquired Assets to Buyer);

(g) by Buyer on any day on or after February 1, 2010 (the “Termination Date”) if the Closing shall not have been consummated by such date (or by such later date as shall be mutually agreed to by Buyer and Seller in writing), unless the Closing has not occurred due to a material failure of the Buyer to perform or observe its covenants or obligations as set forth in this Agreement required to be performed or observed by it on or before the Closing Date;

(h) by Buyer if there is any “Event of Default” as defined under any material Assigned Contract that cannot be cured within a reasonable time prior to the Termination Date;

(i) by Buyer if the Bankruptcy Court fails to enter the Bidding Procedures Order (in form and substance acceptable to Buyer and Lenders) on or before December 7, 2009;

(j) by Buyer if the Bankruptcy Court fails to enter the Sale Order (in form and substance acceptable to Buyer and Lenders) on or before January 15, 2010.

11.2 Expense Reimbursement.

(a) Following the first to occur of (i) the date Seller consummates an Alternative Transaction or (ii) following approval of the Bidding Procedures Order, on the date Seller files a Chapter 11 plan contemplating the sale or retention of any of the Acquired Assets and/or disposition of any of the Assigned Contracts by Seller in a manner substantially inconsistent with the terms of this Agreement, Buyer shall be entitled to a super-priority administrative expense claim, pursuant to section 364(c)(1) of the Bankruptcy Code in the amount of the Expense Reimbursement (the “Buyer Superpriority Claim”); provided, however, that the Buyer Superpriority Claim shall be subordinate to all liens and security interests of Lenders and any administrative expenses of Lenders in the Chapter 11 Case.

(b) Each of the parties’ obligations to make payments pursuant to this Section 11.2 shall survive termination of this Agreement, other than in an instance in which this Agreement is terminated as a result of the Bankruptcy Court’s failure to approve the Bidding Procedures Order (for reasons other than Seller’s breach of an obligation under this Agreement).

11.3 Effect of Termination or Breach. If the transactions contemplated hereby are not consummated (a) this Agreement shall become null and void and of no further force and effect, except

(i) for this Section 11.3 and (ii) for the provisions of Sections 6.9, 11.2, 13.1, 13.2, 13.4, 13.7, 13.8, 13.9, 13.10, 13.11, and 13.12 hereof, each of provisions set forth in (i) and (ii) above to survive the termination of this Agreement; (b) the receipt by the Buyer of the Expense Reimbursement which shall be payable in accordance with Section 11.2, shall be the Buyer's sole and exclusive remedy (as liquidated damages) other than for claims based on actual fraud, and the Buyer shall not be entitled to any other damages, losses, or payment from Seller, and Seller shall have no further obligation of Liability of any kind to the Buyer or its Affiliates on account of this Agreement; and (c) if this Agreement is terminated for any reason other than the termination of this Agreement by Seller pursuant to Section 11.1(c), Seller shall not be entitled to any damages, losses, or payment from Buyer, and Buyer shall have no further obligation or Liability of any kind to Seller or any of its Affiliates on account of this Agreement.

ARTICLE XII

ADDITIONAL POST-CLOSING COVENANTS

12.1 Employees.

(a) Buyer shall offer employment immediately prior to the Closing (but contingent on the occurrence of the Closing) to such employees of Seller actively employed or engaged principally in the Business as of the Closing Date as determined by Buyer in its sole discretion (such employees who accept such offer of employment, the "Rehired Employees") on terms and conditions as determined by Buyer in its sole discretion provided that not fewer than 90% of Seller's employees shall be offered employment by Buyer.

(b) Nothing contained in this Agreement shall confer upon any employee of Seller prior to the Closing or Rehired Employee any right with respect to continuance of employment by Buyer or any of its Affiliates, nor shall anything herein interfere with the right of Buyer or any of its Affiliates to terminate the employment of any employee, including any Rehired Employee, at any time, with or without notice and for any or no reason, or restrict Buyer or any of its Affiliates in modifying any of the terms or conditions of employment of any employee, including any Rehired Employee, after the Closing.

12.2 Certain Consents. If a consent of a Third Party which is required in order to assign any Acquired Asset (or Claim, right or benefit arising thereunder or resulting therefrom) is not obtained prior to the Closing Date, or if an attempted assignment would be ineffective or would adversely affect the ability of Seller to convey its interest in question to Buyer, Seller will cooperate with Buyer and use commercially reasonable efforts in any lawful arrangement to provide that Buyer shall receive the interests of Seller in the benefits of such Acquired Asset. If any consent or waiver is not obtained before the Closing Date and the Closing is nevertheless consummated, Seller agrees to continue to use commercially reasonable efforts to obtain all such consents as have not been obtained prior to such date.

12.3 Post-Closing Operation of Seller; Name Changes. Provided Buyer is approved as the successful bidder at the Sale Hearing, from and after the Closing, Seller except as provided herein will cease using the Acquired Assets. If requested by Buyer after the Closing, Seller shall take all necessary action to change its name to a name bearing no resemblance to the names set forth on the signature pages to this Agreement and will file such documents as are necessary to reflect such name change in the States in which Seller is incorporated and the other jurisdictions where Seller is qualified to do business as a foreign entity, in which case Seller shall promptly notify Buyer of such name change and the name chosen by Seller. Notwithstanding the foregoing, Seller may refer to "Whitney Design, Inc." as a former name for legal and noticing purposes in the Chapter 11 Case and other legal documents.

12.4 Accounts Receivable Deposits; Collections. After the Closing, Seller shall permit, and hereby authorizes, Buyer to collect, including pursuit of collection, in the name of Seller, all accounts, notes, credit card receivables and deposits constituting part of the Acquired Assets and to endorse with

the name of Seller for deposit in Buyer's account any checks or drafts received in payment thereof. Seller shall promptly deliver to Buyer any cash, checks or other property that Seller may receive after the Closing in respect of any accounts, notes and credit card receivables or other asset constituting part of the Acquired Assets.

12.5 Sublease of Computer Equipment/Facilities. After the Closing, in the event that the Lease of the Facilities and the Leases of computer equipment and software are Assigned Contracts, Buyer shall permit Seller and/or its Affiliates to sub-lease up to 30,000 square feet of warehouse space at the Facilities for a period of ninety (90) days and shall permit Seller to access computers, computer software and programs during business hours, promptly upon advance request, for a period of up to sixty (60) days post-Closing.

12.6 Tax Matters. Buyer shall, within 120 days after the Closing Date, prepare and deliver to Seller a schedule allocating the Purchase Price (and any other items that are required for federal income tax purposes to be treated as part of the purchase price) among the Acquired Assets in accordance with the requirements of section 1060 of the Code (such schedule, the "Allocation"). Buyer and Seller shall report and file all Tax Returns (including amended Tax Returns and claims for refund) consistent with the Allocation, and shall take no position contrary thereto or inconsistent therewith (including in any audits or examinations by any Governmental Authority or any other proceeding). Buyer and Seller shall cooperate in the filing of any forms (including Form 8594 under section 1060 of the Code) with respect to such Allocation. Notwithstanding any other provision of this Agreement, the terms and provisions of this Section 12.6 shall survive the Closing without limitation.

12.7 Storage and Insurance. Buyer shall provide rent-free storage to Seller for the Excess Floor-Standing Metal-Top Ironing Boards for ninety (90) days following the Closing. Buyer and Seller shall further cooperate to ensure that the Excess Floor-Standing Metal-Top Ironing Boards are adequately insured against property or casualty loss.

ARTICLE XIII

MISCELLANEOUS

13.1 Survival. The representations and warranties contained in this Agreement shall not survive the Closing. Each of the covenants and obligations of Buyer and Seller in this Agreement and in the other Transaction Documents shall survive in accordance with their respective terms.

13.2 Expenses. Except as provided in Section 8.2(c) or 11.2 hereof, each party hereto shall bear its own costs and expenses, including attorneys' fees, with respect to the transactions contemplated hereby. Notwithstanding the foregoing, in the event of any action or proceeding to interpret or enforce this Agreement, the prevailing party in such action or proceeding (i.e., the party who, in light of the issues contested or determined in the action or proceeding, was more successful) shall be entitled to have and recover from the non-prevailing party such costs and expenses (including all court costs and reasonable attorneys' fees) as the prevailing party may incur in the pursuit or defense thereof.

No waiver by a party of any condition or of any breach of any term, covenant, representation or warranty contained in this Agreement shall be effective unless in writing by Seller in the case of a waiver by Seller, or Buyer, in the case of any waiver by Buyer, and no waiver in any one or more instances shall be deemed to be a further or continuing waiver of any such condition or breach of other instances or a waiver of any other condition or breach of any other term, covenant, representation or warranty.
